

13.5 User Preferences - Addons

Add-ons.....1

Add-ons

The Add-ons tab lets you manage secondary options which are not enabled in Blender by default. New features may be added with *Install Add-ons*. There will be a growing number of such Add-ons, generated by the Blender-community so look out for that one feature you were missing (or maybe simply create it yourself).

See the *Add-ons Page* for more on using Add-ons.
